- The applicant must provide appropriate signature by school administrator.
- The applicant must provide complete statement of intention as described in instructions.
- The application should be postmarked no later than October 31, 2018.
- The 6 available grants (the six are chosen State wide) in the amount of \$500 each are awarded in late November
- Funds are available January 1, 2019
- and must be expended during 2019 spring semester.

Name of Applicant: _____

Name of School District: _____

Name of School: _____

Grade Taught: _____ Subject Area: _____

Signature of Applicant: _____

Signature of School Administrator: _____

Date: _____

Submit with application a one page typed (Times New Roman, 12-point font) synopsis of a teaching enhancement the applicant desires to implement. Awarded funds can be used for a classroom activity but may include supplies, equipment, field trips, special speakers, and a wide array of activities. Close the synopsis with a brief statement indicating your plans for measuring the success of the enhancement. The synopsis should be signed by applicant.
